

St. Helena Parish School District

A Relentless Pursuit of Excellence

Virtual Academy Summer Program 2018

St. Helena Parish School District is now offering summer courses through its Virtual Academy for those students who need credit recovery, high school graduation cohort recovery, or advancement in their course work

Monday, June 4, 2018 - Friday, August 3, 2018

- **Online summer courses:**
 - will give your student more time to learn the basics of the subject being taught at their own pace.
 - offer your student a different approach to learning.
 - give student a second chance to obtain class credit, preventing doubling up a core class during the school year.
 - allow your student to focus on just that particular class.
 - will give your student the chance to raise his/her grade point average.

We offer three programs

1. **Credit Recovery** - designed for students who failed a course. (Grades 3 – 12)
2. **Audit Course** - designed for students who want to get a jump start for a challenging class that will be taken during the regular school year. (No credit is earned for this course)
3. **Advanced Track** - designed to offer new courses to students who want to advance in their course work.

Students will use the Odysseyware online platform.

Promotion is based on grades and completion rate earned in the program.

The deadline to complete each course is **Friday, August 3, 2018 at 12:00pm CST**. Failure to complete the entire course will result in a failing grade.

IMPORTANT INFORMATION AND DATES

Registration Dates:

Monday, May 7, 2018 – Friday, June 1, 2018 at 4:00pm CST

LATE REGISTRATION: Monday, June 4, 2018 – Thursday, June 14, 2018
