Dear Parent/Guardian:

We are very proud of our teachers and feel they are ready for the coming school year. Our teachers are prepared to give your child a high-quality education. As Title I schools, both St. Helena Central Elementary School and St. Helena Central High School must meet federal rules related to teacher qualifications as defined in No Child Left Behind. These rules allow you to request information on the professional qualifications of classroom teachers and teaching assistants who provide services to your child. For more information about the credentials of your child's teacher, visit www.teachlouisiana.net and click on the link - verify a Louisiana certificate. You may also contact Dr. Candace Robertson, Title I Supervisor, at (225)222-4349 to learn more about the professional qualifications of your child's classroom teacher or teaching assistant.

Respectfully,

Kelli Joseph
