CHILD SEARCH FORM

We know that you care about your child! We do, too! Every child is unique—every child is different; Differences are wonderful, but some can cause problems in schooling. Louisiana’s schools are ready to help all children learn!

WE SEARCH FOR CHILDREN WHO MAY:

1. Have academic problems
2. Not hear/see well
3. Have trouble following directions
4. Be slow starters
5. Have discipline problems
6. Have any other problem that makes school a difficult experience

WE ALSO LOOK FOR BABIES OR PRESCHOOLERS WHO MAY:

1. Have chronic illnesses
2. Not walk or talk on time
3. Have other developmental problems

WE LOOK BECAUSE WE HAVE PROGRAMS THAT MAY HELP

If you feel your child has a problem, that affects his/her ability to learn, and you would like to schedule a conference with your child’s teacher, **please complete this form and return it to the school’s principal.** At this conference, the teacher will discuss with you your concerns and the option to refer your child to the School Building Level Committee (SBLC). The SBLC is a team of teachers, administrators, and other school personnel who find ways to help your child with his/her problems.
