

St. Helena Parish School District TECHNOLOGY USE AGREEMENT AND PHOTO RELEASE FORM

Your son or daughter will have the opportunity to use the St. Helena Parish School District's computer network, which includes access to the Internet. The Internet is a worldwide telecommunications network with almost limitless instructional resources available for teacher use. St. Helena Parish School District has implemented a state-of-the-art content filtering system to ensure that students access information consistent with the goals of our instructional program. The filtering system is never intentionally disabled and is effective in blocking access to inappropriate content such as pornography, violence, and terrorist sites. The student is responsible for appropriate behavior while using the computer network. Teachers monitor student activities while online for appropriateness.

The following online activities described below are unacceptable.

- Disclosing your own or another students' personally identifiable information is unacceptable.
- Using any network account for non-school related activity is unacceptable.
- Unauthorized copying of licensed software is unacceptable and illegal.
- Plagiarizing online content is unacceptable.
- Downloading or copying files without permission is unacceptable.
- Reading, sending, or forwarding personal email messages, chat messages, or instant messages are unacceptable.
- Removing or damaging computer components is unacceptable.
- Seeking to override or bypass computer or network security provisions is unacceptable.
- Cyberbullying
- Inappropriate communication

St. Helena Parish School District is committed to providing safe and quality instructional opportunities for all students. The use of the Internet is quickly becoming an essential component of the overall instructional program. Please, take a few moments to discuss with your child the importance of using this resource responsibly.
